

# Neo Shield Product Specification

## PRODUCT DESIGN

Neo Shield is a neoprene sponge rubber runner that provides protection for carpeted, tiled and polished floors. Neo Shield is a woven polyester over a natural rubber backing.

Neo Shield is the ultimate in professional, long-lasting floor care. The rubber bottom enables it to cling to most surfaces. It will not slip or slide on most surfaces and is less likely to tangle under dolly wheels or when walked upon. Neo Shield minimizes any opportunity for any dirt or damage to occur to your flooring.

Total thickness (mils)	59 nominal
Front fabric	Woven polyester
Backing	Natural rubber, calcium carbonic acid, mineral oil and foaming agent
Color	Blue, Red
Product life span is 2 years	

## PERFORMANCE FEATURES

- **DURABLE!** Long lasting protection for multiple floor surfaces. Stands up to heavy traffic use. Lasts up to 2 years.
- **CONFORMABLE!** Product remains intact even over bends and curved surfaces. The slip resistant protection clings to various floor surfaces and steps.
- **FLEXIBLE!** Lightweight and adheres evenly to the applied surface and can be cut to fit any space.

## COMMENTS

### SUGGESTED FOR:

Recommended for carpet, hardwood, laminate, tile and other flooring. Excellent protection for moving, remodeling, temporary protection of traffic areas, model homes, parties, or other applications where temporary protection is required.

The physical properties listed above are average values and are not to be construed as specifications. Our suggestions and recommendations for use are based on tests we believe to be reliable. However, the purchaser must determine the suitability of the product for their intended use. Surface Shields, Inc. assumes no liability for claims beyond the replacement value of our product proved to be defective.
