

# Water Shield Product Specification

|                       |
|-----------------------|
| <b>PRODUCT DESIGN</b> |
|-----------------------|

Water Shield is non-staining and water resistant, made from a lamination of two strong Kraft papers with a nylon scrim reinforcement.

Water Shield protects flooring such as hardwood, laminates and tile, and does not wear under normal traffic, eliminating the need for constant replacement.

|   |
|---|
| Two sheets of 35# and 30# high strength Kraft paper reinforced with a 1/2" x 1/2" double layer of fiberglass and laminated with 18# of high molecular weight amorphous polypropylene. |
|   |
|   |
|   |
|   |

|                             |
|-----------------------------|
| <b>PERFORMANCE FEATURES</b> |
|-----------------------------|

- |                                  |  |
|----------------------------------|--|
| ➤ <b>WATER AND OIL RESISTANT</b> | Provides a resistant barrier to oils, grease, and water.                         |
| ➤ <b>DURABLE</b>                 | Laminated, reinforced paper lasts longer than plain papers, reducing replacement |
| ➤ <b>PUNCTURE RESISTANT</b>      | Reinforced to provide resistance to puncture and tears.                          |
| ➤ <b>NON-STAINING</b>            | Non-bleeding and non-staining.   |

|                 |
|-----------------|
| <b>COMMENTS</b> |
|-----------------|

**SUGGESTED FOR:**

Water Shield protects flooring such as hardwood, laminates and tile, and does not wear under normal traffic, eliminating the need for constant replacement of torn paper. Since it is non-staining, Water Shield is a better choice than red-rosin papers.

Superior forming characteristics make it suitable as a light industrial packaging paper in applications where water and oil resistant barriers are required.

The physical properties listed above are average values and are not to be construed as specifications. Our suggestions and recommendations for use are based on tests we believe to be reliable. However, the purchaser must determine the suitability of the product for their intended use. Surface Shields, Inc. assumes no liability for claims beyond the replacement value of our product proved to be defective.
