

WOOSTER®

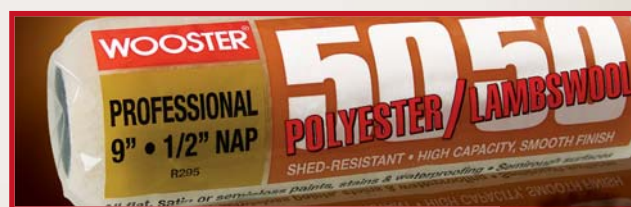

50/50™

100% PRODUCTION

Made with natural lambswool in a high-performance fabric blend, Wooster 50/50 is an affordable alternative to shearing. Have you "herd"? The new shed-resistant construction offers improved resistance to matting and spattering, along with excellent paint pickup and release characteristics. A favorite for stucco and rough surfaces, Wooster 50/50 shears production time with all flat, satin, and semigloss paints.

50/50

- Shed-resistant, cream-colored, knit fabric blend of 50% lambswool and 50% polyester for 100% production in all flat, satin or semigloss paints, stains, waterproofing
- Wool provides maximum capacity and a smooth finish; polyester resists matting
- Green™ double-thick polypropylene core resists water, solvents, and cracking (4" length has a clear, single-ply polypropylene core)

R751 50/50 6-Pack
Great Contractor Value
