Made with **flame retardant** plastic sheeting

ZIP DOOR®

Seal any doorway in a minute!

Goes up fast with ZipWall® double-sided tape. Pre-installed heavy-duty zippers provide easy access.

- Saves hours on jobs with lots of doors
- Reusable, pays for itself in time savings
- ZipWall® Tape holds plastic on one side, is gentle to surfaces on the other
- Easily reposition door for up to an hour
- Flap hooks hold up door for easy entry and exit

Kits include ZipWall® double-sided tape and flap hooks.
